

COMMITMENT

Solid Writing

Some projects require an unconventional approach and others demand a straight-forward solution. Either way, I can provide the communication you desire.

Diverse Skill Base

With a writing background that includes training manuals, financial columns, fiction and self-esteem workbooks, I have the experience to tackle any project that comes along.

Value

I offer excellent work and personalized service not seen at large firms. I give you what you need — when you need it — at a reasonable price.

and personal attention*

EXPERIENCE

I bring years of experience to your workplace.

- Published Author
- 14 Years Manufacturing Environment – Process Engineer and Training Specialist
- BS Organizational Behavior and Applied Psychology

Extensive familiarity with writing operating procedures, job training aids and manuals

“Rob has done an outstanding job defining my vision...he is my first choice for ghostwriting.”
-S.G. Vancouver, B.C.

“This e-book is a very concise distillation of the blur of facts, figures and statistics presented to an investor”
- G.B. on “Solid Stock Selection”

BENEFITS

A freelance writer can:

- Improve your bottom line
- Enhance your image
- Increase your efficiency
- Make your life easier
- Save you money

You don't have time to be good at everything. Concentrate on what you do best, and outsource your writing needs

A professional writer really does make a difference. Your product deserves elegant professional presentation; Hand it off and stay focused on what you do best.

ADVANTAGES

- Reduce costs with task-specific help – eliminate overhead involved with full time employees
- Fill in short-term needs with the freelance option
- “Fresh eyes” and enthusiasm
- The perfect solution for temporary writing needs

Terms

- Initial no-cost consultation session to discuss project, define responsibilities and brainstorm ideas on moving forward
- Quotes can be made for short term or long term solutions
